CONNECT. INTEGRATE. SIMPLIFY. AND MORE.

Technology for every workplace, delivering advanced functionality, ease of use and peace of mind.

Every business is unique. That's why Toshiba offers the latest customisable solutions that can be tailored to meet your needs. Toshiba solutions help you simplify complex tasks while managing diverse information—efficiently and safely to maximise your productivity.

Toshiba's latest series delivers on our promise of Together Information—our commitment to collaborate with clients to provide tailored, cost-effective solutions that meet your print, document management and content needs while helping you to meet your green objectives.

- Fast 33/40 ppm colour multifunction printer
- Compact all-in-one with copy/print/scan & optional fax capabilities
- Large 10.1" customisable touch panel
- Smart mobile & cloud connectivity that provide easy access to your document
- Wide and flexible variety of choice on paper drawers that will suit our demanding needs
- Small & compact in size that is suitable for department use or counter service use
- Toshiba's secure hardisk help safeguard your data integrity

Simple, smart and stylish.
A customisable 10.1" tablet-style touch screen with an embedded web browser is easy to use, and customisable to meet your needs, enhancing the sleek and modern look of the complete series.

Customisable user interface streamlines complicated multi-step processes into automated one-touch functions.

A fully-customisable user interface with an open platform enables departments to tailor settings and automate workflow including the integration of third-party solutions resulting in simple operation and improved efficiency. Let Toshiba place productivity and performance at your fingertips.

- Customise and automate workflow specifically around your business processes
- Boost productivity by reducing manual and paper intensive processes in the office
- Personalise the user interface by department or individually to deliver the utmost efficiency
- Cost savings and greater efficiency through improved workflow and productivity

A COMPACT DESIGN THAT LEAVES NOTHING OUT

Even with a relatively small footprint, the e-STUDIO400AC Series is packed with industry-leading technologies and innovations designed to help workgroups connect, integrate and simplify.

High Speeds include 33/40 PPM colours multifunction printer

Advanced e-BRIDGE Next Technology enables the MFP to drive Toshiba's internally developed solutions or those from a third party with ease

Dual-Scan Document Feeder holds an amazing 300 originals and boasts an impressive 240 images per minute (IPM) by scanning both sides of the page in a single pass.

e-Suite allows you to track and control copy, fax and scan jobs, and perform secure print release at Toshiba MFP.

Multi-Station Print Enabler allows you to retrieve your print job from a series of networked MFPs – now with support of up to 50 e-BRIDGE devices.

Scan and Fax Preview allows you to receive your scanned documents digitally and also view received faxes prior to sending or printing.

COMPACT SIZE FITS IN SMALL SPACES

Perfect fit in organisations looking for device fleet optimisation.

With functionality of an A3 device, e-Studio330AC/400AC can easily integrate into smaller offices and departments that requires lighter output, achieving cost and operation efficiencies
